BREE'S LAW EDUCATION

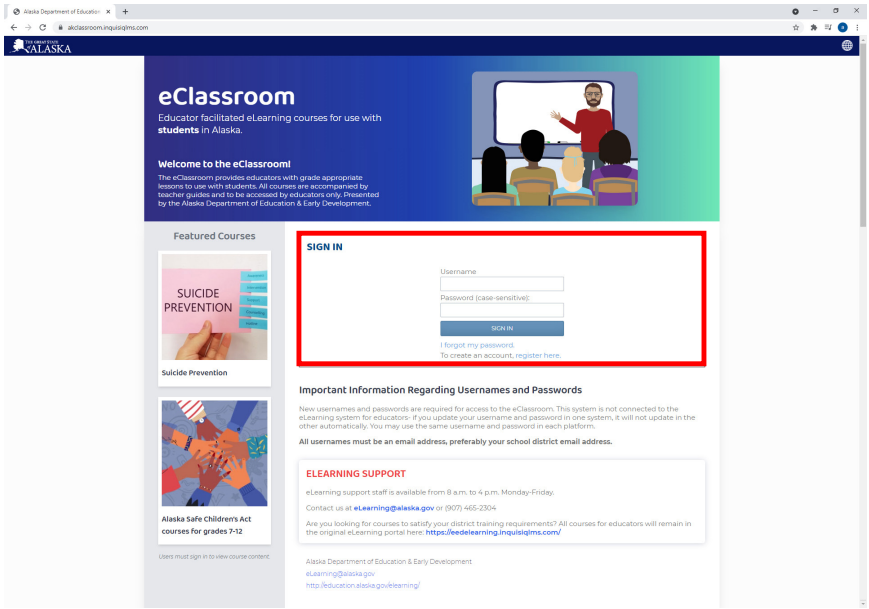
How to Access the Curriculum

The Bree's Law Education modules are housed on the Alaska Department of Education & Early Development eLearning Classroom. Please note that this is a different platform than the one you access for teacher training. You will need a separate login for the eLearning Classroom.

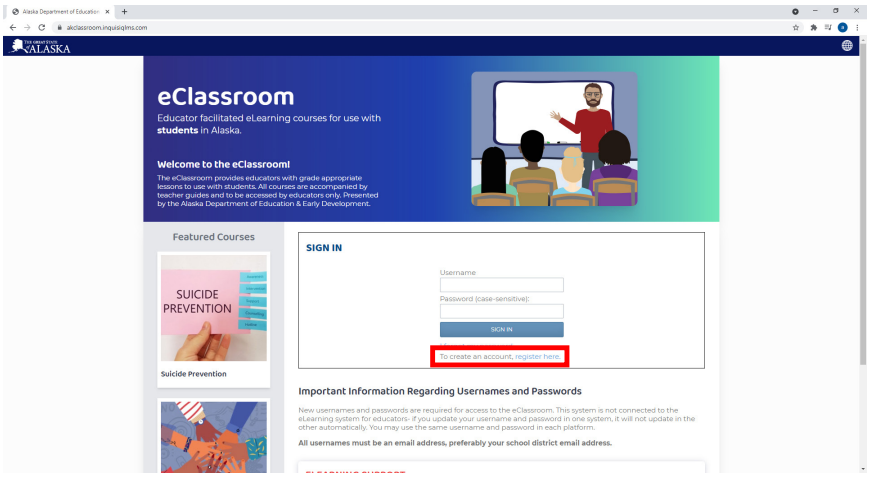
For questions about the curriculum content, email eed.alaskasafechildrensact@alaska.gov. For help with navigating the eLearning classroom, email eLearning@alaska.gov.

Logging In

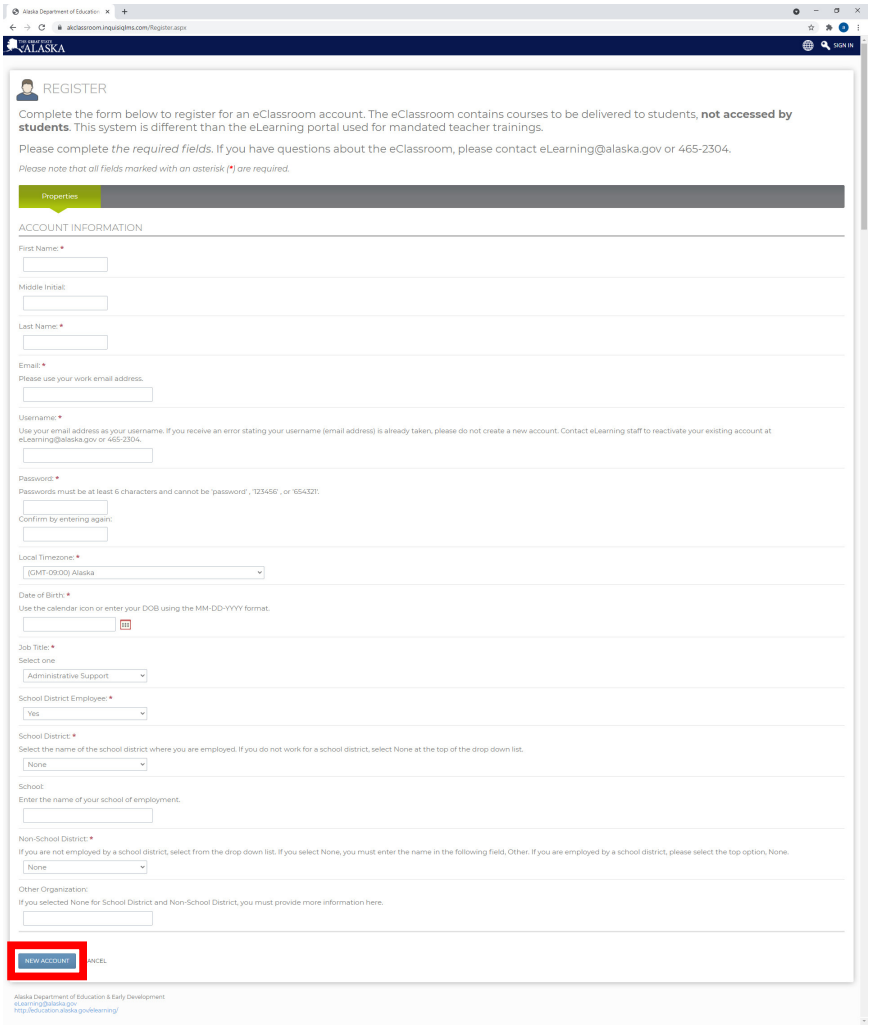
Navigate to the eLearning Classroom at akclassroom.inquisiqlms.com. The landing page provides notes and information, highlights featured courses, and allows you to sign in using the ***SIGN IN*** area.



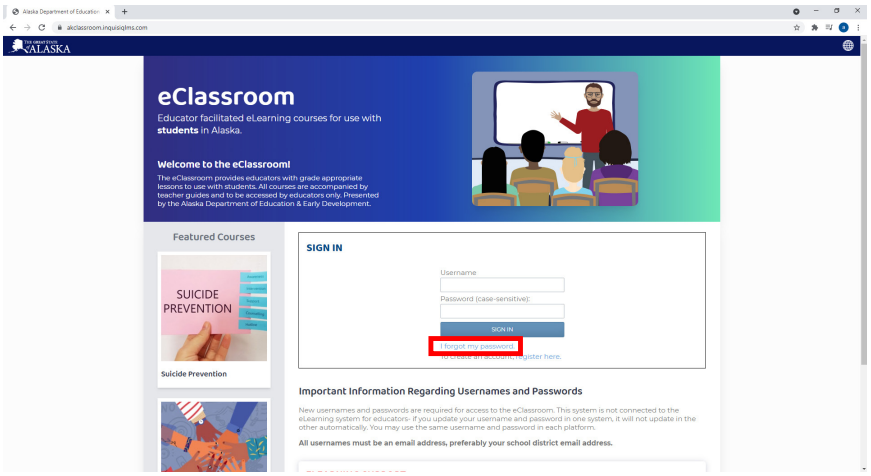
If you do not have an account in the Classroom, select the ***"register here"*** link in the ***SIGN IN*** area to create a new account. Only teachers need an account. Students do NOT need accounts.



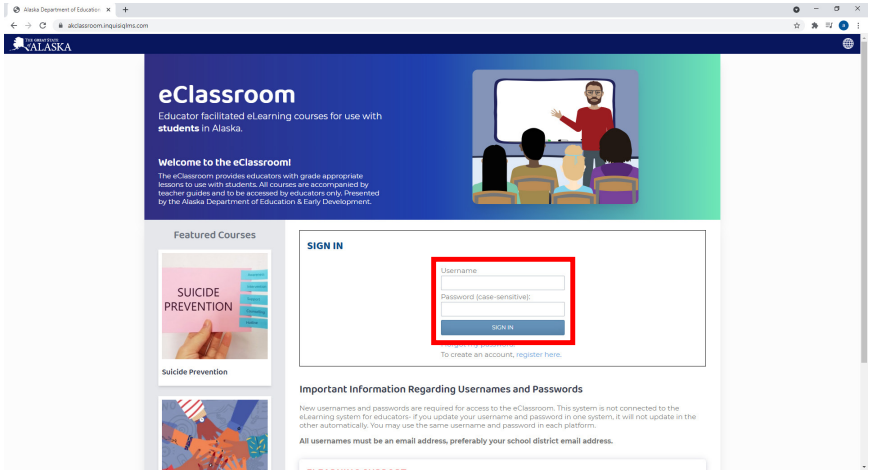
If creating a new account, complete the registration form and press the ***NEW ACCOUNT*** button at the bottom of the page.



If you already have an account, but forgot your password, select the ***"I forgot my password"*** option in the ***SIGN IN*** area and enter your username, which is your email address. You will receive a temporary password via email.



Enter your ***email*** and ***password*** and click the ***SIGN IN*** button to begin.

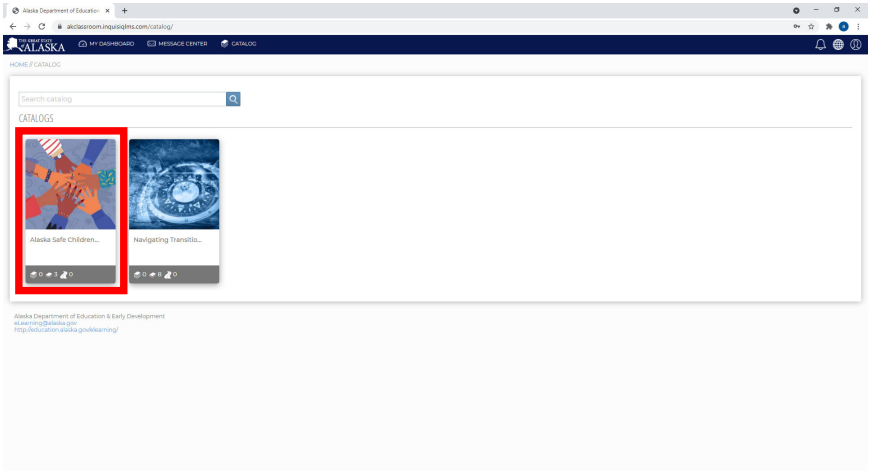


Enrolling

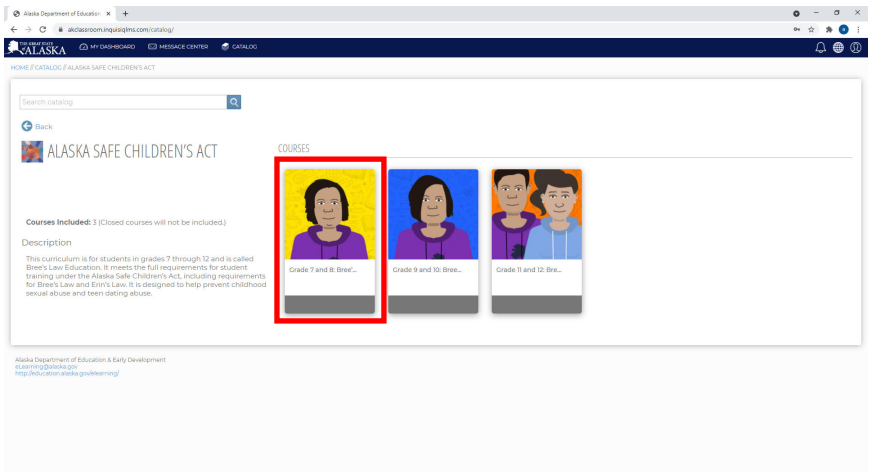
After you are logged in, you will be directed to the ***CATALOGS*** section where you can select a course to enroll in.

Follow these steps:

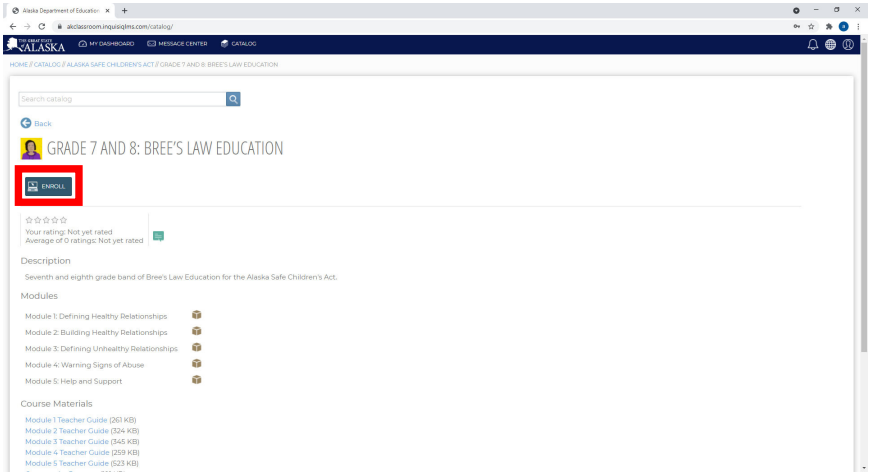
1. Select the ***Alaska Safe Children's Act Catalog***



2. Select the ***Bree's Law Education Grade Band*** of your choice

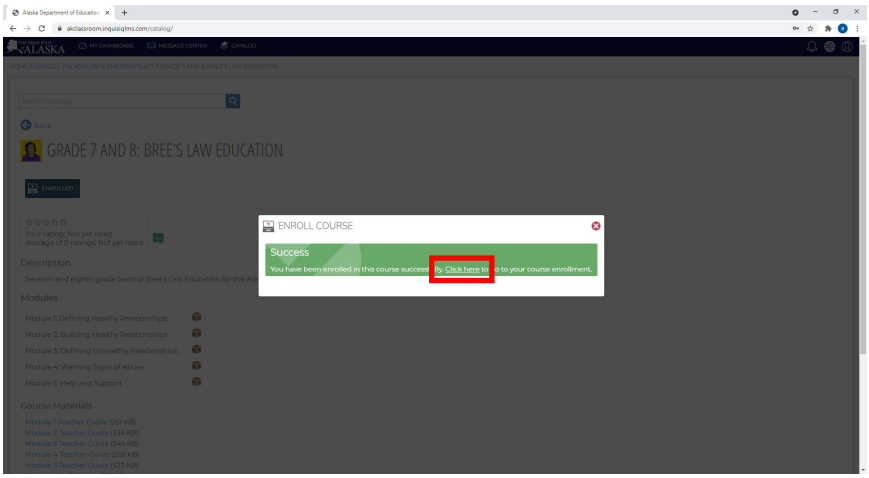


3. Press the ***Enroll button***—this will enroll you in all 5 modules for the grade band you have selected



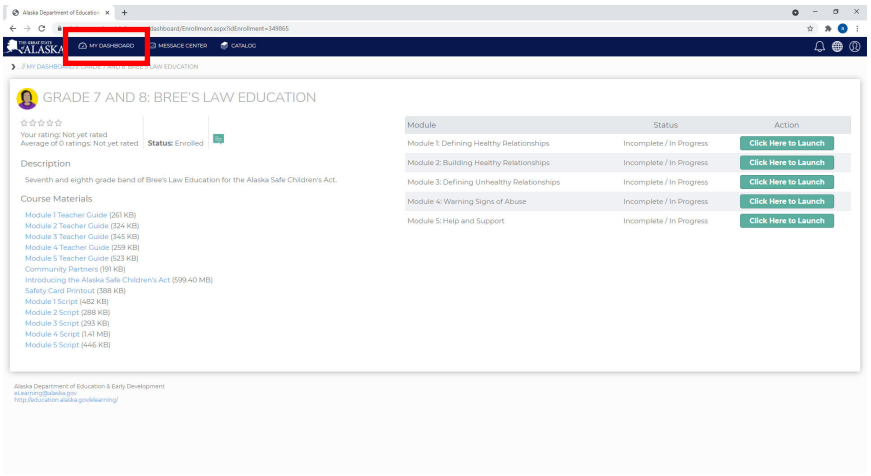
Launching the Modules

If you're ready to launch the modules for your class, click the link to go to the course screen. Here you'll see all five modules for your grade band. Choose which module you'd like to view, and click the ***Click Here to Launch*** button.



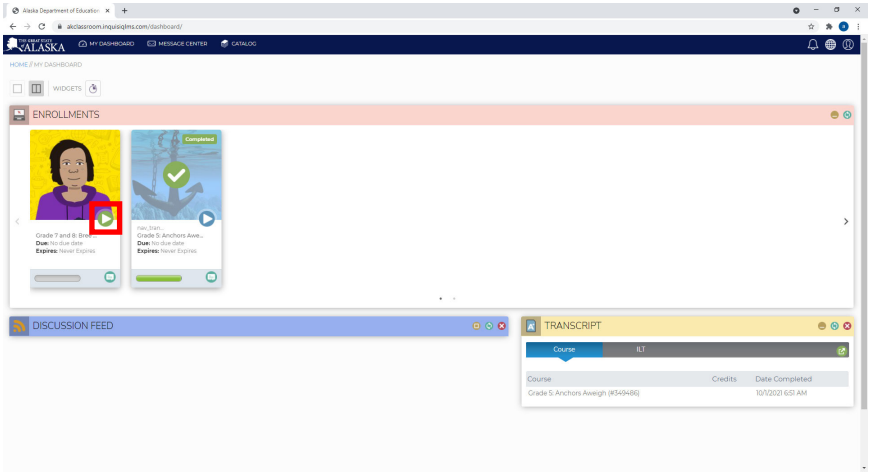
If you're not ready to view a module, you can always access your course from the dashboard.

Go to ***MY DASHBOARD*** located at the top of the page.

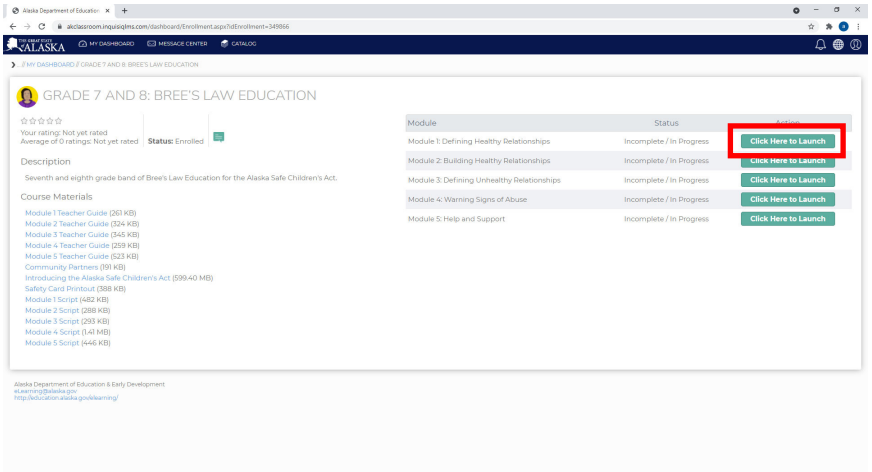


Each grade band you have enrolled in will be listed in the ***ENROLLMENTS*** section.

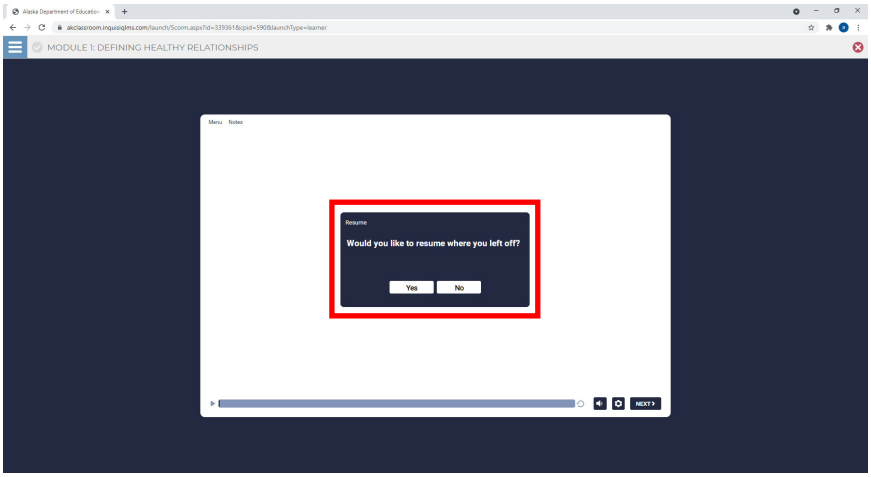
Select the ***green arrow*** on your enrollment. It will take you to the course screen.



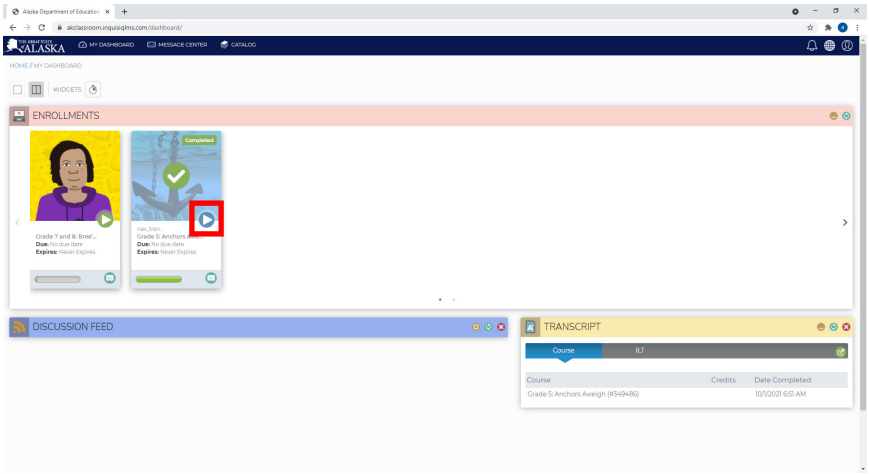
Choose which module you want to view and click the ***Click Here to Launch button.***



If you close a module and go back to it later, it will launch with a question: "***Would you like to resume where you left off?***" To start the module from the beginning, select ***No***.



After you complete a course, it will still appear in the ***ENROLLMENTS*** section on your dashboard. Select the ***blue arrow*** to launch the course.



Thank You!

Now you are ready to access the Bree's Law Education modules. And remember, you are not alone. The Alaska Department of Education & Early Development is available to help. We are all working together to keep Alaska students safe and promote healthy relationships.
