

# Department of Education & Early Development presents

## FY2022 CIP Workshop Webinar Series

Thursday, May 7, 2020

### 9:00 a.m. CIP Program Overview

Overviews of DEED CIP program processes, how district day-to-day operations impact the program, and what happens after funding. Particularly useful for those who need to know about the process but are not involved with application writing and development. Approximately 90 minutes with Q&A.

[WebEx Meeting Link](#). Meeting #: 287 126 800. Password: CIP23 (24723 from phones)

### 1:30 p.m. General CIP Application Walkthrough

The nitty-gritty of the application questions, formula-driven scoring, evaluative scoring, and identifies recent changes. Approximately 2.5 hours with Q&A.
