Alaska Reads Act Implementation Webinars Schedule

Please mark your calendar to set time aside for a series of hour-long weekly virtual webinars that will begin on January 12th, designed to take a deeper dive into The Alaska Reads Act. Webinars will be held for each of the four programmatic parts of the Alaska Reads Act, teacher requirements, data collections, and world and Alaska language programs. There are also five "Office Hour for Q & A" webinars with no specific agenda or presentation. Office Hour sessions are meant to address questions or clarifications.

Webinars are open for those in charge of implementation of the requirements. Please note that for District Reading Intervention webinars there is an additional webinar the following day meant specifically for stakeholders that lead world and Alaska language programs.

Sessions will be recorded and available on https://education.alaska.gov/akreads for those that are not able to attend. We will also post slides used in the presentation along with draft materials presented.
