- Other: _____

The parent(s) and school team discussed:

- There is a possibility that the child may have challenges in keeping pace with the academic curriculum in the next grade due to their literacy screener performance for 3rd grade.
- In grade 4, a personalized intervention plan may be put in place to provide necessary support for the child's reading skills.
- Dedicated intervention time in reading should be allocated for the student until they no longer require additional assistance.
- 20 hours of reading intervention in the summer is required.

After thorough discussion, the following recommendations have been proposed:
(Circle Recommendation Chosen)

School Recommendation:	Progression	Non-Progression
Parent or Guardian Recommendation:	Progression	Non-Progression

Final Decision confirmed by EOY Benchmark: Progression
