Data from 23-24 School Year

- Data packets and designation information were sent to the Superintendent on October 21st, 2024
- If you have not heard from your superintendent, please reach out to them
- Superintendents- please email Nancy Eagan (nancy.eagan@alaska.gov) if you need assistance retrieving the data packet.

School Designations for 25-26

Comprehensive Support and Improvement (CSI)

- 5% of Title I schools with lowest index score **(9 Schools)**
- 5% : More Rigorous Interventions **(10 Schools)**
- Graduation rate less than or equal to 66.67% **(Off Cycle, 33 Schools)**
- Targeted Support **(9 schools)**

Additional Targeted Support and Improvement (ATSI) **(60 Schools)**

- Based on equity gap for any of nine identified student groups annually

Universal Support **(370 Schools)**

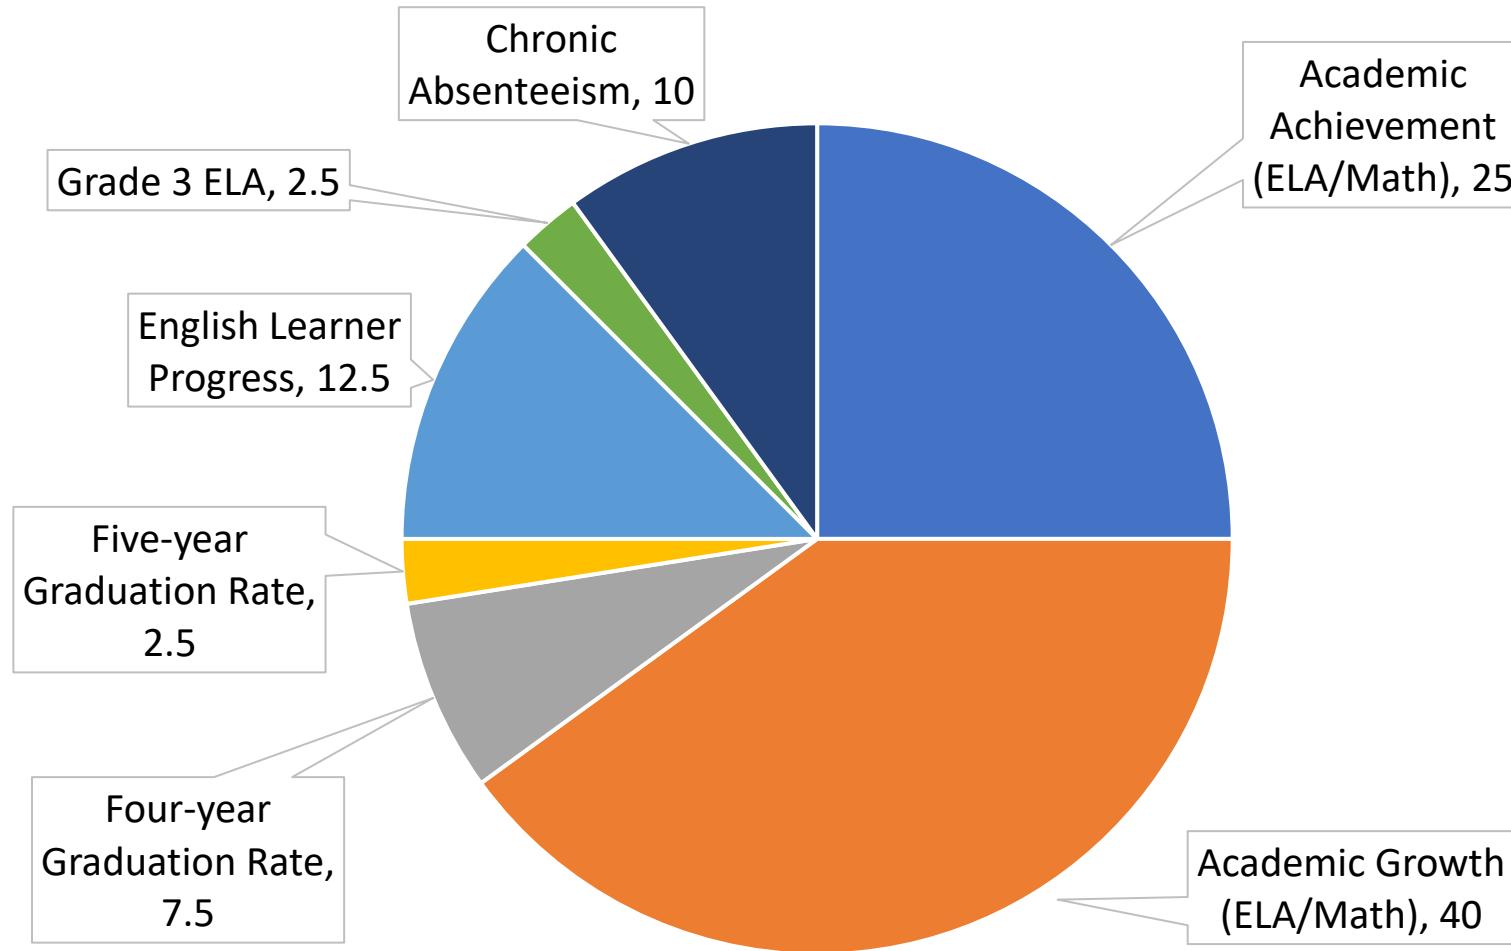

- Any school not designated CSI/TSI/ATSI is considered Universal Support

All schools are eligible for a CSI, TSI, or ATSI designation regardless of size.

System Weights for Indicators (%)

Overall School Index Value

- **Requires at least two indicators**
- One of the two indicators must be one of the following:
 - Academic Achievement in ELA or Mathematics
 - Academic Growth in ELA or Mathematics
 - Four-year or five-year graduation rate
 - English Learner progress
 - Grade 3 ELA

2024 Index Score Distribution

Performance Threshold

2023-2024 Values

- If a school is Title I and has an overall school index score of 9.30 or lower, it would have received a designation of **Comprehensive Support (Lowest 5%)**.
- If a school has any student group with an index score below 9.30, the school receives a designation of **Additional Targeted Support**.

School Designations

- Do NOT indicate “good” schools or “bad” schools
- Provide the state with data and guidance on how we can focus our support
- Not meant to be punitive
- Should not be seen as a shameful or stigmatizing

School Improvement is for **every** school, designated schools just get more directed support

School Designations by the Numbers

Comprehensive Support and Improvement (CSI)

- 5% of Title I schools with lowest index score **(9 Schools)**
- 5% : More Rigorous Interventions **(10 Schools)**
- Graduation rate less than or equal to 66.67% **(Off Cycle, 33 Schools)**
- Targeted Support **(9 schools)**

Additional Targeted Support and Improvement (ATSI) **(60 Schools)**

- Based on equity gap for any of nine identified student groups annually

Universal Support **(370 Schools)**

- Any school not designated CSI/TSI/ATSI is considered Universal Support

All schools are eligible for a CSI, TSI, or ATSI designation regardless of size.

School Designations

Comprehensive Support and Improvement (CSI)

Lowest 5% of Title I schools = CSI 5%

- Includes a Small School Review (SSR)
- 3-year cycles & designation

Lowest 5%: More Rigorous Interventions = CSI-MRI

- CSI 5% schools that did not meet exit criteria after 3 years of designation cycle into CSI-MRI
- May exit at the end of the year once exit criteria is met

Graduation Rate less than or equal to 66.67% 4-year cohort

- Graduation Rate is a lagging indicator
- 3-year cycles and designation

Small School Review (SSR)

If you see "Universal (Pending Small School Review)" this is for you~

Definition of a Small School: If a school doesn't have at least 2 indicators (with $N < 10$) they can't receive an index score. This puts them into a small school review.

A rubric that includes the same metrics used in the accountability system (as well as possible school/district interviews) are used to analyze the small school data and determine if an already designated CSI 5% school is eligible to exit. (Note that CSI 5% are not being entered this round of designations)

All Superintendents of CSI 5% Small Schools that were eligible to exit at the end of this school year have been notified of their status.

More Rigorous Interventions (MRI)

- Mandated by federal regulations
- Schools identified as CSI 5% which do not meet the exit criteria in their third year of designation advance to CSI-MRI.
- A school may exit at the end of the year if it no longer meets the lowest 5% entrance criteria and if the school's accountability index score has improved since the CSI identification year (ie, just like CSI 5% exiting but can happen any year)
- MRIs should be a joint effort between the District and the State to support the School
- Exit-eligible once exit criteria has been met

More Rigorous Interventions: Outline

- Go through the Empowerment Process with support from Empowerment Specialist
 - ES included in SCLT planning & Module 1 review meetings
- SIP must include:
 - Goal(s) of at least one of the following, and adhere to state guidance in selecting programs/interventions to support:
 - Attendance
 - Literacy
 - Math
 - Alignment to District Strategic Plan
 - Alignment to school/district MTSS plan
 - Alignment to District Reading Intervention Plan (as applicable)
 - Inclusion of a student behavioral plan (ie, PBIS)
- Districts identify and address resource inequities

School Designations

Additional Targeted Support and Improvement (ATSI)

- Any one of the nine student groups with an index value within the range of the lowest 5% designated CSI schools (student groups listed next slide)
- Performance Threshold (9.3)
- 32 schools entering ATSI this year

*This is an Annual Designation

Student Groups

- African American
- Alaska Native/American Indian
- Asian/Pacific Islander
- Caucasian
- Hispanic
- Two or More Races
- Students with Disabilities
- English Learners
- Economically Disadvantaged

School Designations

Comprehensive Support and Improvement-Targeted Support (CSI-TSI)

- Only applies to Title I schools
 - If a Title I School is designated ATSI for three years in a row for the same student group(s) they become a CSI-TSI school
 - Will receive the same support level as CSI 5% schools
- *Exit-eligible after 1 year once exit criteria is met**

Exiting Designation Status

- ATSI schools and some CSI 5% schools were eligible for exit this year
- Exiting schools will be required to fill out an end-of-year report (found at the end of the school improvement plan)- this will be turned in by email to your School Improvement Point of Contact (see next slide)
- Exiting CSI 5% schools may apply for a sustainability plan grant of up to \$50,000 for FY25 (ie to be spent this year)

Onboarding Designation Status

- Technical Assistance provided by School Improvement team:
 - Empowerment Specialist or School Improvement DEED Point of Contact
 - Regular webinars
 - Open office hours
 - Cohort meetings for designated schools
