

# BREE'S LAW EDUCATION

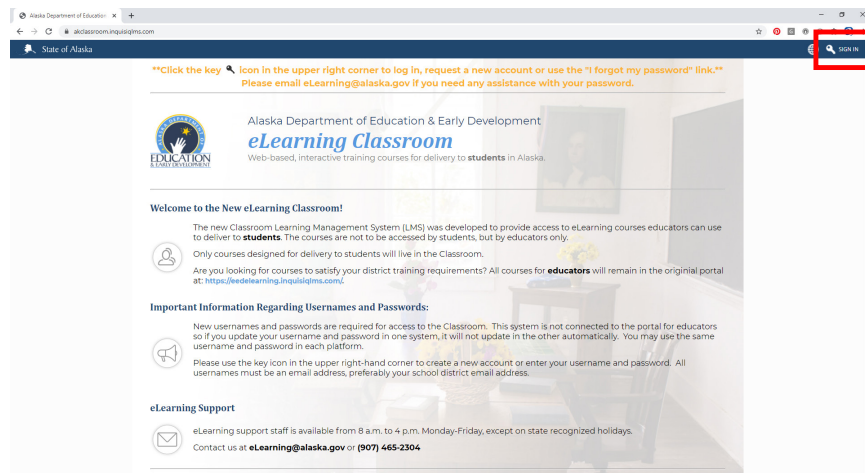

## How to Access the Curriculum

The Bree's Law Education modules are housed on the Alaska Department of Education & Early Development eLearning Classroom. Please note that this is a different platform than the one you access for teacher training. You will need a separate login for the eLearning Classroom.

For questions about the curriculum content, email [eed.alaskasafefchildrensact@alaska.gov](mailto:eed.alaskasafefchildrensact@alaska.gov). For help with navigating the eLearning classroom, email [eLearning@alaska.gov](mailto:eLearning@alaska.gov).

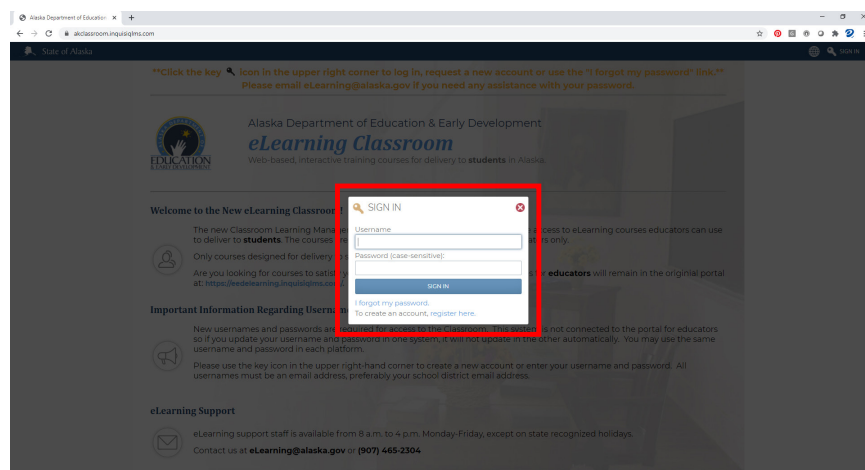

## Logging In

To access the curriculum, go to [akclassroom.inquisiqlms.com](http://akclassroom.inquisiqlms.com) and click **Log In**.

In the **Sign In Box**, enter your **Username** (email address) **and Password** set up during registration.

If you forgot your password, select **I forgot my password** and enter your **Username** (email address). You will receive a temporary password via email. If you do not have an account in the Classroom, select the **link to create a new account**. Only teachers need an account. Students do NOT need accounts.

If creating a new account, complete the **Registration Form** and press **New Account** at the bottom of the page.

The screenshot shows a web browser window with the URL <http://alaskadevelopment.alaska.gov/elearning/register.aspx>. The page is titled "REGISTER" and contains instructions for creating an eLearning Classroom account. It includes a "Properties" section and a "ACCOUNT INFORMATION" section with various input fields. At the bottom, there is a red box highlighting the "NEW ACCOUNT" button.

**REGISTER**

Complete the form fields below to register for an eLearning Classroom account. The eLearning Classroom is for student-facing courses to be delivered to students, not accessed by students. This system is different than the eLearning portal used by teachers to complete mandated trainings.

Please complete the **required fields**. If you have questions about the Classroom, please contact eLearning@alaska.gov or 465-2304.

Please note that all fields marked with an asterisk (\*) are required.

## Enrolling

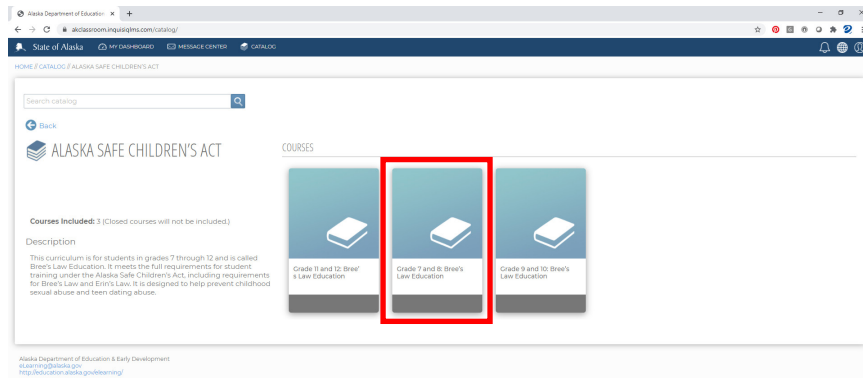

After you are logged in, you will be directed to the **Catalog Section** where you can self-enroll in each grade band of the curriculum.

Follow these steps:

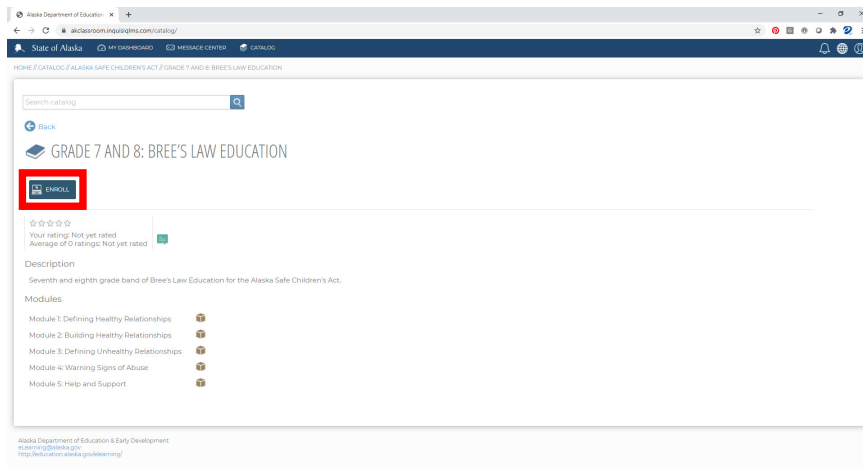

1. Select the **Alaska Safe Children's Act Catalog**

2. Select the **Bree's Law Education Grade Band** of your choice

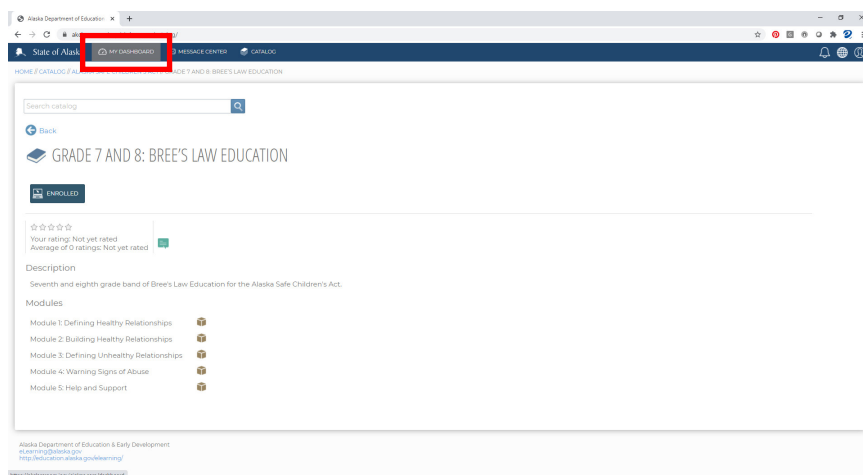

3. Press the **Enroll button**—this will enroll you in all 5 modules for the grade band you have selected

## Launching the Modules

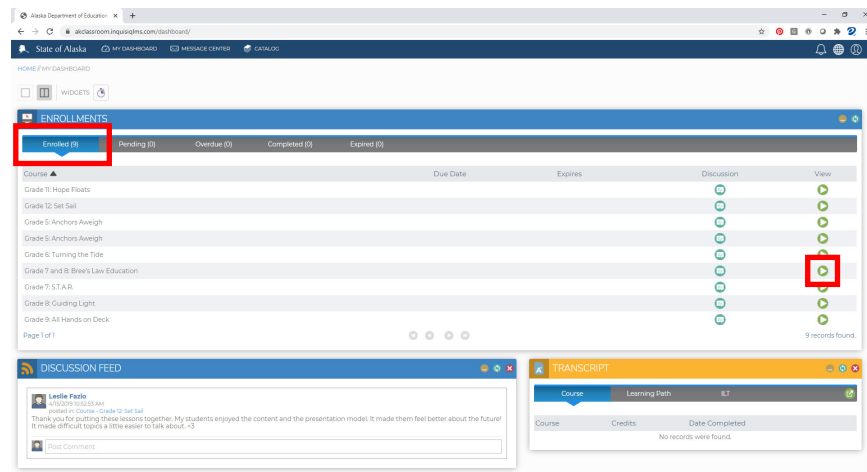

Next, you will learn how to launch the modules to show them to your class.

Go to **My Dashboard** located at the top of the page.

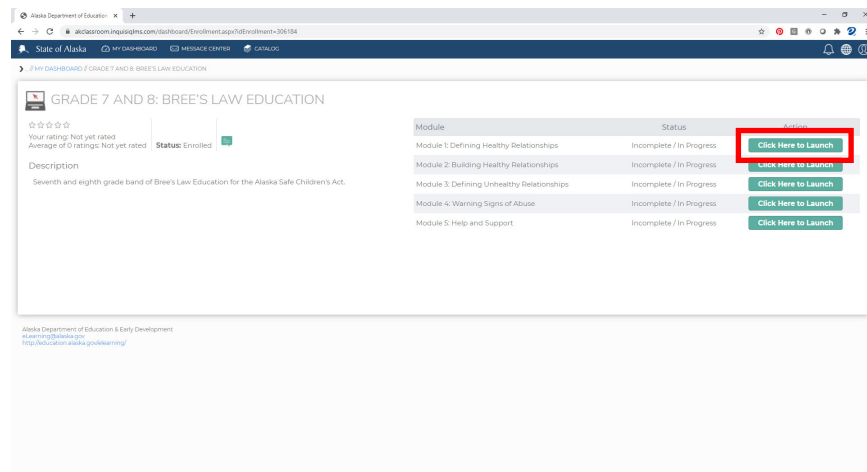

Each grade band will be listed under the **Enrolled Tab**.

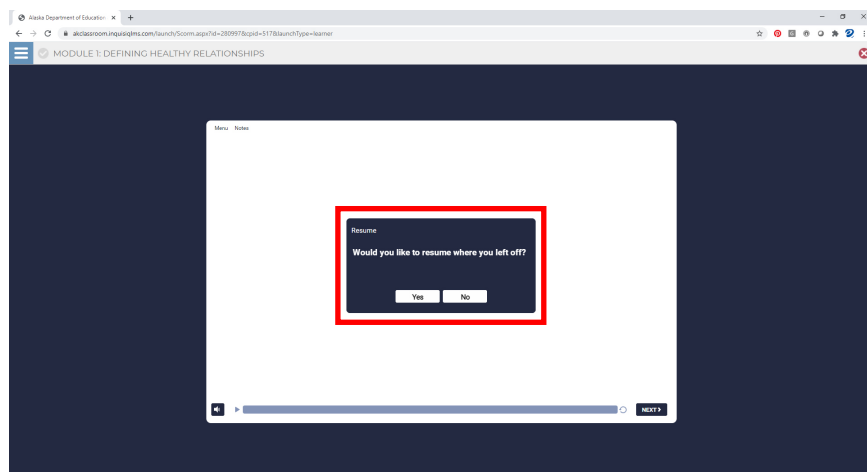

Select the **Green Arrow** under **View**.

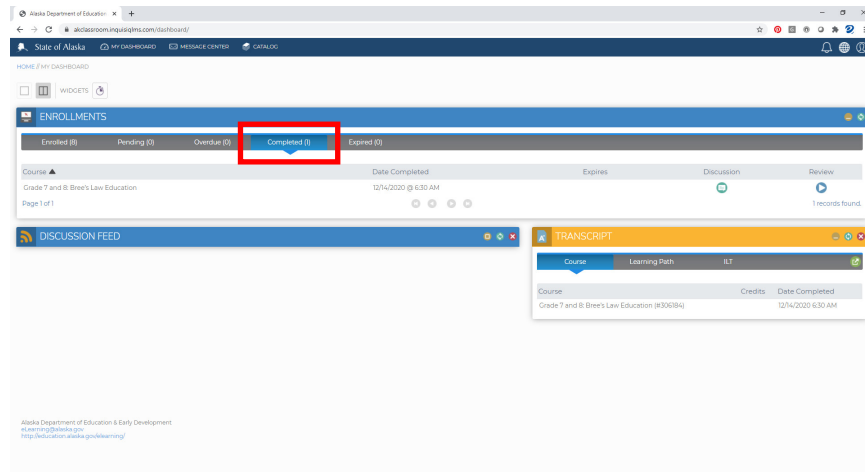

Then select **Click Here** to Launch.

If you close a module and go back to it later, it will launch with a question: **“Would you like to resume where you left off?”** To start the module from the beginning, select **No**.

After you complete a course, it will disappear from the **Enrolled Tab** and move to the **Completed Tab**. If you still need to use the course but don't see it under Enrolled, look for it under Completed or re-enroll in the course.

## Thank You!

Now you are ready to access the Bree's Law Education modules. And remember, you are not alone. The Alaska Department of Education & Early Development is available to help. We are all working together to keep Alaska students safe and promote healthy relationships.
