**Appropriation Budget Bill:**

**FY2021 Supplemental and FY2022 Operating and Capital Budgets – Conference Committee Substitute for House Bill 69 – Signed by the Governor on June 30, 2021 (Chapter 1, SSSLA 21)**

Conference Committee Substitute for House Bill 69 (CCS HB 69(BRF SUP MAJ FLD H/S)) contains the Department of Education and Early Development's (DEED) operating budget for FY2022. Enclosed is a schedule titled "FY2022 Projected State Program Allocations based on Enacted Budget," which includes FY2022 estimated funding levels, by district, for the following programs: Foundation, Permanent Fund Dividend Raffle Grant, Boarding Home Stipends, Residential Boarding Program, Youth in Detention, Special Schools, Pupil Transportation, and School Debt Reimbursement for a total funding level of approximately \$1.3 billion. The funding levels listed by district are projected allocations and are subject to change based on actual FY2022 average daily membership and/or individual program requirements.

CCS HB 69(BRF SUP MAJ FLD H/S) also provides \$11.5 million for Pre-Kindergarten and Early Learning programs (\$6.8 million for Head Start, \$3.2 million for Pre-Kindergarten, \$0.5 million for Parents as Teachers, and \$0.3 million for Best Beginnings); and \$7.8 million for the School Broadband Assistance Grants. In addition, there is federal receipt authority totaling \$369,767,723 for the American Rescue Plan (ARP) Act COVID Relief funding (\$5,793,000 for the Emergency Assistance for Non-Public Schools (EANS) program; \$2,159,300 for the Institute of Museum and Library Services; \$758,700 for the National Endowment for the Arts; \$358,707,000 for the Elementary and Secondary Education Relief (ESSER) III program; and \$2,349,723 for the ESSER Homeless Children and Youth program).

CCS HB 69(BRF SUP MAJ FLD H/S) also provides \$30,799,500 for the School Debt Reimbursement Program and a 50% deposit of \$17,119,000 to the Regional Educational Attendance Area (REAA) and Small Municipal School District School Fund.

Due to a lack of a reverse sweep, all Higher Education Investment Funds (HEIF) are not currently funded in FY2022. DEED programs funded with HEIF include: \$138,200 for the Live Homework Help program; \$6.3 million for the Alaska Education Grants; \$3.3 million for the WWAMI Medical Education program;

and \$11.75 million for the Alaska Performance Scholarship Awards. In addition, items funded with the Statutory Budget Reserve Fund (SBRF) are also affected by the lack of a reverse sweep, and thus not currently funded in FY2022. The DEED items funded with SBRF include: \$9 million for the Houston Middle School Replacement and \$4.15 million for the School Debt Reimbursement Program. These funds will not be available for expenditure until the Legislature addresses the reverse sweep.

Lastly, in CCS HB 69(BRF SUP MAJ FLD H/S), two sections of intent language were directed to DEED:

- It is the intent of the legislature that federal funds be used to create statewide standards for instruction in social and emotional learning and that no appropriation of state or federal funds be used to mandate implementation of a statewide standards for instruction in social and emotional learning.
- It is the intent of the legislature that a baseline assessment of current practice in Alaska's 53 School Districts, including but not limited to adopted K-3 reading curriculum and assessment tools; Dyslexia screening tools; intervention strategies and timeline; frequency of parent teacher conferences for those students experiencing reading deficits; teacher and staff training offered to support K-3 reading instruction; and number of certificated K-3 teachers with reading endorsement be submitted to the legislature. The Department is to provide a report of findings to the Finance co-chairs and the Legislative Finance Division on or before December 1, 2021, and notify the Legislature that the report is available.
