Overall School Index Value

1 FAY is defined as continuous enrollment from October 1 to the first day of the general assessment window and represents the number of students in the grade span that were enrolled in the school for a Full Academic Year.
 2 If the participation rate is less than 95%, the denominator used to calculate % proficient will reflect 95% of the school's Full Academic Year students for that content area and grade span.
 3 If a school has a student group index value equal to or less than the TSI Performance Threshold, the school is designated as a Targeted Support and Improvement (TSI) School for that student group.
 * Aggregated data (multiple years) used to calculate score. ^ Fewer than 5 students tested, data suppressed to maintain student confidentiality.
