System for School Success Overview

Alaska's education accountability system, System for School Success, includes each student group individually, creating a holistic vision of a school through two lenses: the performance of all students and that of their student group populations.

The Compass

A Guide to Alaska's Public Schools

Alaska recently launched **The Compass**, a website designed to help parents access important data about public schools in Alaska. The Compass features a wealth of meaningful information on schools and districts so that parents and guardians can participate in decisions to improve their student's learning.

Measures Combine into Index Score

Each indicator noted in the table to the left is given a score for the school. Note: ELA and Math Growth are not part of the 2021-22 Accountability system.

In addition to looking at the whole school, each student group in a school is measured in the areas listed in the table to the left. These scores are combined and the student group is given a score.

How is my school designated for support?

Each year an overall school index value is calculated for each school and a school designation is assigned. There are three school designations for Alaska's schools:

- **Comprehensive Support**
 - **Lowest 5%** - If the overall school index value of a school falls in the lowest 5% of Title I schools, that school receives a designation of Comprehensive Support (Lowest 5%).
 - **Graduation Rate** - If a secondary school has a graduation rate of less than or equal 66.67%, that school receives a designation of Comprehensive Support (Graduation Rate).
- **Targeted Support** - If a school has any student groups with index values under the Comprehensive Support (lowest 5%) threshold, that school receives a designation of Targeted Support.
- **Additional Targeted Support** - Schools that are TSI for the same student group three years in a row.
- **Universal Support** - All other schools are considered Universal Support schools.

Which student groups are measured?

- African American
- Alaska Native/American Indian
- Asian/Pacific Islander
- Caucasian
- Hispanic
- Two or More Races
- Students with Disabilities
- English Learners
- Economically Disadvantaged

What are some questions I could ask my school?

Where can I find more information about how my school is performing?

What supports are being provided to my school based on its designation?

What opportunities are available for me to be involved in my student's education?

What is the TSI Performance Threshold in 2022?

The lowest 5% of Title I schools have index scores ranging from 0 to 6.21.

- If a school is Title I and has an overall school index score of 6.21 or lower, it receives a designation of **Comprehensive Support (Lowest 5%)**.
- If a school has any student group with an index score below 6.21, the school receives a designation of **Targeted Support**.
