

**Department Reading Program (DRP)  
Reading Support Services for the FY25**

**District:** Hoonah City School District

**School:** Hoonah City School

**Assigned Program Specialist:** Dianne Orr

**Summary of Support  
To Ensure the Effective Implementation of the AK Reads Act**

Reading specialist provided regular communication and collaboration with school and district staff, coaching and modeling high-quality reading instruction, facilitating professional development, and guiding data-informed instructional decision-making within the DRIP/MTSS and ISRIP framework. Additional support focused on addressing curriculum and intervention implementation, helping to ensure that instructional practices aligned with the school's reading goals. This effort was complemented by a site visit aimed at building relational capacity.
