Organization or Artist Name: _______________________________________________

Grant Number: _______________________________________________

The Alaska State Council on the Arts is granted permission to use images or artwork (the Work) submitted with my application or reports to promote me, my organization, my/our work; to raise awareness of the Council’s work and funds available for grants; and to highlight the depth of creative talent that exists in Alaska.

Images or artwork may include digital documentation such as photos, videos, audio files, etc.

Artist attribution will be supplied in all uses of the Work.

Photographer will be credited

Work may be featured in press releases, on the Council’s website, on Council social media sites, or in Foundation publications.

I understand that granting permission to use the work for promotional purposes is not a requirement for receiving a grant from the Alaska State Council on the Arts. No remuneration will be provided for this promotional use.

You are affirmatively representing that the Work is your/your organization’s legal property to distribute and you are granting the Alaska State Council on the Arts permission to use these images for the purposes specified above, only.

Please check the box below and either upload to your online report or application or return this form by mail to:
