Alaska's Plan of Support for Districts & Schools 2014-2015

-Tier 3 Districts
-Priority schools in any district
-other partnering districts

- All supports listed below
- Needed supports for the district or school will be identified through a collaborative process between EED and the district or school. Supports will match school or district need with EED resources.

-Tier 2 Districts
-Focus schools in any district
-other partnering districts

Depending on the specific needs of each district and school, and as a result of collaboration with district and school leadership, supports available from EED could include one or more of the following:

- Training, support, and individualized feedback in the use of Alaska STEPP.
- EED Liaison support
- A School Improvement Coach assigned to work on-site to help implement the School Improvement Plan.
- Prioritized registration and support to participate in state conferences such as the TLS Institutes.
- Support to participate in ASMP, AACP, and AISLA.

All Districts & Schools

- Distance delivery or on-site training from EED staff (with a prioritized response based on available resources and Tier 2, Tier 3, Priority school, Focus school and partnering district preference)
- EED website resources including fact sheets, powerpoints, video training, professional learning modules, etc.
- An invitation to attend state conferences; for example, the Fall and Spring Teaching and Learning Support (TLS) Institutes.
- Initial training for Alaska STEPP via VTC and continuing webinar support throughout the year.
- Coaching support through the Alaska Statewide Mentor Project (ASMP) and the Alaska Administrator Coaching Project (AACP).
- Support for established principals through the Alaska Innovative School Leaders Academy (AISLA).
