

Quick Guide: Accessing Student Tutorials

The Student Tutorials are web-based videos that introduce the computer-based testing system. The tutorials use age-appropriate sample test items, animation, audio, and closed captioning to describe the testing tools and navigation through the test engine. The tutorials are accessible to parents and community and easily viewable on many web browsers. A username and password are not required to access the tutorials.

1. Go to the [DRC INSIGHT Portal](https://ak.drctdirect.com) (ak.drctdirect.com).
2. Select the link to the [Student Tutorials](#)

Welcome to DRC INSIGHT Portal

The Alaska Department of Education and Early Development (DEED), in partnership with Data Recognition Corporation (DRC), welcomes Alaska educators to the DRC INSIGHT Portal!

This portal enables you to quickly and easily access links to online testing tools and program information for the Alaska Assessment Program. To access program related documents and training, select [General Information](#).

Only authorized users can access online testing management and reports information. To access these tools, log on with your Username and Password.

If you need assistance, please contact the Alaska Customer Service Line at AKHelpdesk@datarecognitioncorp.com or 1-866-339-6390.

ONLINE TOOLS TRAINING (OTT)

Publicly accessible versions of the Online Tools Training are available. Please copy the link below into Google Chrome to access these practice opportunities. Note that Google Chrome is the only supported browser for this public version of the Online Tools Training.

Student Tutorial:

The Student Tutorial videos are an introduction to the DRC INSIGHT online testing system. The ELA, Mathematics, and Science tutorials use grade-level-appropriate sample test items, animation, and audio to describe the testing tools and other features of the system. Please click on the link below to access the tutorials.
