

4 AAC 12.305 is amended by adding a new subsection to read:

(i) To maintain an initial teacher certificate issued under (a) of this section, a teacher who is enrolled in but has not completed a teacher preparation program, must, at the beginning of each school year, provide evidence to the department from the teacher preparation program that the teacher continues to be enrolled in and is making satisfactory progress in the teacher preparation program. If the teacher terminates enrollment in the teacher preparation program, the teacher must notify the department immediately. A teacher who terminates enrollment in a teacher preparation program is no longer certified to teach in the state and must surrender the teacher's certificate.
