

Access to Technology

As a requirement for receiving [American Rescue Plan funding](#), DEED collected the following information about student access to technology.

All of the data in this report was collected as of October 2022 and represents state wide data.

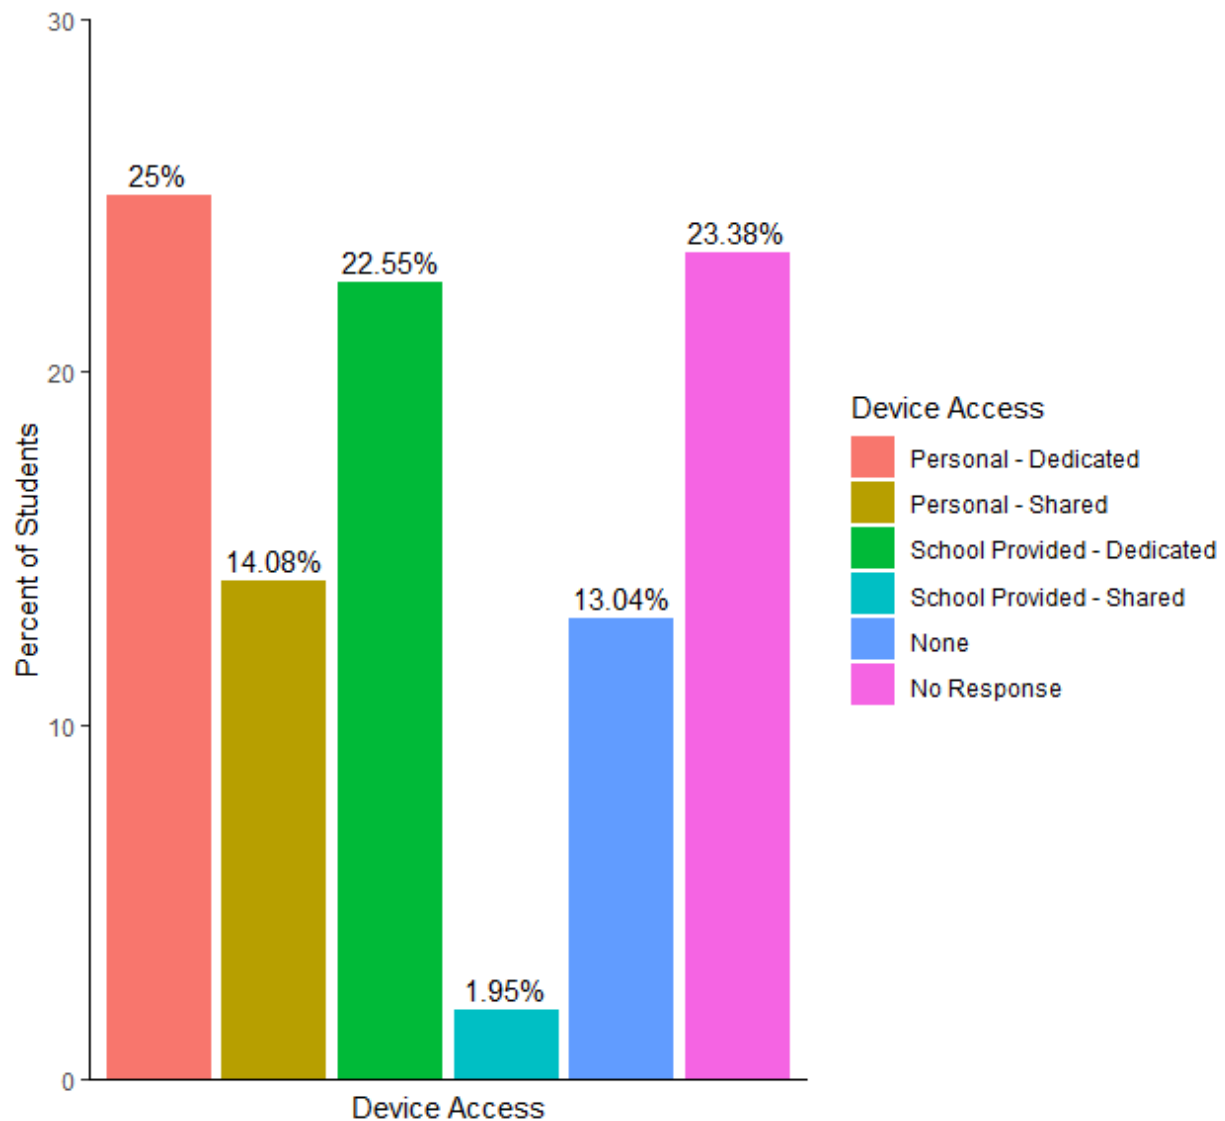

Digital Device

What device does the student most often use to complete schoolwork at home?

Device Access

Is the primary learning device a personal device or school-provided? Is the primary learning device shared with anyone else in the household?

Internet Access in Residence

Can the student access the internet on their primary learning device at home?
