

Register _____, _____ 2024

4 AAC 33.660 is amended to add new subsections to read:

(c) A district must provide the initial negotiated capacity in its application under 4 AAC 33.605 for each eligible circuit or connection.

(d) A district must provide the cost for each eligible circuit or connection at the initial negotiated capacity for the year that the initial negotiated capacity is determined as of in monthly recurring charges to the district in its application under 4 AAC 33.605.

(e) A district must provide the cost for each eligible circuit or connection at the current Internet speed in monthly recurring charges to the district in its application under 4 AAC 33.605.

(Eff. 11/13/2014, Register 212)

Authority: AS 14.03.127 AS 14.07.020
