SERVICES

CENTRAL POINT FOR INQUIRIES & RESOURCES

STREAMLINE INQUIRIES | Establish a centralized office where parents, students, community members, education staff, and elected officials can direct all their inquiries, ensuring consistency and reliability in the information provided.

RESOURCE DEVELOPMENT | Develop a range of supportive materials, such as how-to guides, FAQs, and interactive tools that address common educational challenges and questions.

COMPREHENSIVE RESOURCE DATABASE | Develop and maintain an up-to-date database of educational resources, including policy documents, guides, toolkits, and best practices.

ASSIST STAKEHOLDERS IN NAVIGATING ALASKA'S EDUCATION SYSTEM

PERSONALIZED GUIDANCE | Offer one-on-one support to help stakeholders understand and navigate the complexities of Alaska's education system.

EDUCATIONAL WORKSHOPS | Conduct workshops and informational sessions on various aspects of Alaska's education system.

PROVIDE INFORMATION AND SUPPORT ON EDUCATIONAL RIGHTS & POLICIES

RIGHTS EDUCATION | Create and distribute materials that clearly outline the rights of students, parents, and educators, including explanations of relevant laws and policies.

POLICY UPDATES | Regularly update stakeholders on changes to educational policies and regulations, explaining the implications and actions they may need to take.

REFER ISSUES TO THE APPROPRIATE DEPARTMENT OR AGENCY

ISSUE IDENTIFICATION & ROUTING | Implement a system for identifying the nature of each inquiry or complaint and directing it to the appropriate department or agency for resolution.

FOLLOW-UP & RESOLUTION TRACKING | Ensure issues are documented from initial contact to resolution, providing updates to stakeholders and ensuring accountability within the education system.
