1. This report is based on unaudited survey data collected October 2016.
2. FTE = Full Time Equivalent
3. Student/Teacher Ratio is calculated by dividing the PK-12 Student Count by the Unduplicated Teacher Count.
4. N/A = No Teachers
5. A certified staff member may have multiple teacher job types (e.g. Teacher and SPED Teacher), and a teacher may have assignments in multiple schools within the same district. Therefore, the individual counts of teachers at a school by job type may not sum to the Total Teacher Count. Also, the individual school-level counts of teachers within a job type may not sum to the district total or the statewide total.
- † Student/Teacher Ratio includes correspondence students reported at school.

NOTE: Some of the school-level enrollment counts in the original version of this report inadvertently excluded schools. These figures have been corrected.
