

INITIAL OUT-OF-STATE TEACHER CERTIFICATION REQUIREMENTS & INSTRUCTIONS

REQUIREMENTS

An applicant must meet the following requirements to qualify for an Initial Out-of-State teacher certification:

- ❖ Completion of a bachelor's degree from a regionally accredited university;
- ❖ Has never held an Alaska teacher certificate; and
- ❖ Holds a current, valid out-of-state certificate (out-of-country certificates are not accepted). United State territories are accepted.

NOTE: When the applicant's contract for instructional services begins in an Alaska school district, the out-of-state certificate must still be current and valid.

If you do not meet the requirements above, check the [Types of Certificates](#) webpage or contact Teacher Certification for the appropriate certificate application.

Meeting the requirements above will qualify the applicant for a one-year certificate that can be extended up to three years. To extend an out-of-state beyond one year, the applicant must satisfy the additional requirements within the indicated time period described below:

To extend the one-year certificate for an additional year, the applicant must:

- ❖ Obtain passing scores on an approved [Basic Competency Exam](#)

To extend a two-year certificate for an additional year, the applicant must:

- ❖ Complete three semester hours of an [approved Alaska studies](#) course; and
- ❖ Complete three semester hours of an [approved Alaska multicultural](#) course.

~NOTE: An Initial certificate is extendable for up to three years as described above; it is not renewable.

ENDORSEMENTS

The endorsements on an Initial out-of-state certificate will reflect the endorsements listed on the current, valid out-of-state certificate submitted with your application packet. If the applicant holds more than one current, valid out-of-state certificate, the applicant must choose which certificate to submit with the Initial application.

The endorsements you receive on your Initial certificate may not be the same as when you apply for the Professional certification. Please see the [Endorsements](#) page for further clarification on how Alaska evaluates and awards endorsements.

BACKGROUND INFORMATION

Answer the questions one through six (1-6) carefully and completely by answering “yes” or “no” to the questions as they apply to you. If the answer to any of these questions is “yes,” provide a written, detailed explanation of the incident and sign it. It is not necessary to provide a written explanation of a minor traffic violation. Include a written explanation of incidents involving Driving While Intoxicated (DWI) or Driving under the Influence (DUI), no contest, guilty pleas and cases resulting in a suspended imposition of sentence.

~NOTE: If a signed, detailed explanation is not provided for any “yes” answers to questions one through six (1-6) or if your explanation is not signed, your application will be returned unprocessed. Any falsification or deliberate misrepresentation, including omission of a material fact, in completion of this application can be grounds for denial of certification.

FINGERPRINT CARD

When applying for certification in Alaska, you must submit one (1) fingerprint card with your application. The fingerprint card will be used to generate a criminal history report by the Alaska Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI). The criminal history report will be used as one part of the background check required for Alaska certification.

The Teacher Education & Certification Office **cannot** accept criminal history reports completed by other entities, including other states and countries. For the purpose of certification in Alaska, criminal history reports must be completed by the Alaska Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI).

If there is an error on your criminal history report, you may request the DPS correct the information. To begin the correction process, you must complete and submit a **“Request to Correct Criminal Justice Information”** form. If the information believed to be inaccurate or incomplete in your criminal history was, or will be used to deny a right or privilege, DPS has 5 days to respond to the request or to forward it to the agency responsible for maintaining the requested criminal history information. If you have documentation on your criminal case, please be prepared to provide a copy at the time you request a correction to your record. It may help to expedite your request. One of the most common correction requests is to locate missing disposition information. More information concerning criminal history reports can be located at <http://www.dps.state.ak.us/Statewide/background/default.aspx>.

If you cannot obtain a fingerprint card locally, email the Teacher Education & Certification Office at tcwebmail@alaska.gov to request a card be sent to you via U.S.P.S. More information and instructions can be found at <https://education.alaska.gov/TeacherCertification/fingerprints.html>.

You must have your fingerprints rolled by a trained technician. The technician must sign and date the card in the appropriate space. All personal information must be filled in, including signature, residence, citizenship, sex, height, weight, race, eye color, hair color, date of birth, and place of birth.

Fingerprint Card Exceptions

If you currently hold an Alaska teaching, administrative, or special services certificate and are currently employed in a certified position by an Alaska public school district, you may be eligible to submit employment verification instead of an additional fingerprint card.

If you have submitted a fingerprint card for a background check to the Teacher Education & Certification Office in the previous six months, you may be eligible to use your previous background check for this application.

INITIAL OUT-OF-STATE TEACHER CERTIFICATION REQUIREMENTS & INSTRUCTIONS

If you held an Alaska Student Teacher Authorization which expired less than 60 days prior to the date your Initial teacher certification application is received by the Teacher Certification Office and your background clearance was completed less than 18 months from the date of application, you do not need to submit a fingerprint card with your Initial application.

If you have any questions concerning employment verification or a previous background check, email the Teacher Education & Certification Office at tcwebmail@alaska.gov.
