BACKGROUND INFORMATION

Answer the questions one through six (1-6) carefully and completely by answering “yes” or “no” to the questions as they apply to you. If the answer to any of these questions is “yes,” provide a written, detailed explanation of the incident and sign it. It is not necessary to provide a written explanation of a minor traffic violation. Include a written explanation of incidents involving Driving While Intoxicated (DWI) or Driving under the Influence (DUI), no contest, guilty pleas and cases resulting in a suspended imposition of sentence.

~NOTE: If a signed, detailed explanation is not provided for any “yes” answers to questions one through six (1-6) or if your explanation is not signed, your application will be returned unprocessed. Any falsification or deliberate misrepresentation, including omission of a material fact, in completion of this application can be grounds for denial of certification.

FINGERPRINT CARD

When applying for certification in Alaska, you must submit one (1) fingerprint card with your application. The fingerprint card will be used to generate a criminal history report by the Alaska Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI). The criminal history report will be used as one part of the background check required for Alaska certification.

The Teacher Education & Certification Office **cannot** accept criminal history reports completed by other entities, including other states and countries. For the purpose of certification in Alaska, criminal history reports must be completed by the Alaska Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI).

If there is an error on your criminal history report, you may request the DPS correct the information. To begin the correction process, you must complete and submit a **“Request to Correct Criminal Justice Information”** form. If the information believed to be inaccurate or incomplete in your criminal history was, or will be used to deny a right or privilege, DPS has 5 days to respond to the request or to forward it to the agency responsible for maintaining the requested criminal history information. If you have documentation on your criminal case, please be prepared to provide a copy at the time you request a correction to your record. It may help to expedite your request. One of the most common correction requests is to locate missing disposition information. More information concerning criminal history reports can be located at <http://www.dps.state.ak.us/Statewide/background/default.aspx>.

If you cannot obtain a fingerprint card locally, email the Teacher Education & Certification Office at tcwebmail@alaska.gov to request a card be sent to you via U.S.P.S. More information and instructions can be found at <https://education.alaska.gov/TeacherCertification/fingerprints.html>.

You must have your fingerprints rolled by a trained technician. The technician must sign and date the card in the appropriate space. All personal information must be filled in, including signature, residence, citizenship, sex, height, weight, race, eye color, hair color, date of birth, and place of birth.

Fingerprint Card Exceptions

If you currently hold an Alaska teaching, administrative, or special services certificate and are currently employed in a certified position by an Alaska public school district, you may be eligible to submit employment verification instead of an additional fingerprint card.

If you have submitted a fingerprint card for a background check to the Teacher Education & Certification Office in the previous six months, you may be eligible to use your previous background check for this application.

If you held an Alaska Student Teacher Authorization which expired less than 60 days prior to the date your Initial teacher certification application is received by the Teacher Certification Office and your background clearance was completed less than 18 months from the date of application, you do not need to submit a fingerprint card with your Initial application.

If you have any questions concerning employment verification or a previous background check, email the Teacher Education & Certification Office at tcwebmail@alaska.gov.

Calculating the Full Time Equivalency (FTE): For a full-time position lasting a year, the FTE would equal one. For a half-time position lasting a year, the FTE would equal 0.50 or one-half. For a half-time position lasting for half a year, the FTE would be 0.25 or one-quarter.

Employment Outside of Alaska: If any of the certified positions you are using to satisfy the experience requirements were held in a state other than Alaska, a copy of the certificate from the state where the employment was completed

To contact ETS, visit www.ets.org. Alaska's ETS recipient code is 7027.

If you have the scores sent directly from ETS, email the Teacher Education & Certification Office at tcwebmail@alaska.gov to verify that passing Praxis CASE or Praxis I scores are on file BEFORE sending the application. The application will be returned if it is submitted before passing Praxis CASE or Praxis I scores have been received in the Teacher Education & Certification Office.

For all other approved basic competency exams, the original/official examinee score reports showing passing scores on all three required sections must be included with the application. More information concerning approved exams is available on our website at <https://education.alaska.gov/teachercertification/praxis.html>.

~Note: All testing requirements of the jurisdiction where you have completed your preparation program must be satisfied to qualify for Alaska certification.

You may only request endorsement areas found on the "Endorsements List" located at https://education.alaska.gov/TeacherCertification/forms/EndorsementList_TeachingCertificate.pdf. Endorsements will only be granted based on Alaska's endorsement requirements.
