|---|---|---|
| **AMP Computer-Based Assessment (CBA)**<br>**ELA, Math, Science*** | Gr 3-10 | Measures students' mastery of the Alaska ELA, Math and Science Standards.<br>*Science tested in grades 4,8,10 only. |
| **AMP Paper-Based Assessment****<br>**ELA, Math, Science*** | Gr 3-10 | Measures students' mastery of the Alaska ELA, Math and Science Standards. The paper-based assessment is available to school with a waiver from computer-based assessment and to students who need a paper-based accommodation.<br>Paper-based accommodation assessments may be administered during the main AMP window. Paper-based school assessments have a limited window (March 29-April 8).<br>*Science tested in grades 4,8,10 only.<br>**NOTE: Only for schools who have an approved waiver from computer-based Assessments. |
| **ACCESS 2.0** | Gr K-12 | Measures the English language proficiency of students who are identified as English language learners (ELLs) or Limited English Proficiency (LEP) students. |
| **DLM Alternate Assessment; Science Alternate Assessment** | Gr 3-10 | Students with significant cognitive disabilities who are on a track to receive a certificate of achievement will take this assessment |
| **College and Career Readiness Assessments**<br>**SAT**<br>**ACT**<br>**WorkKeys** | Grade 11 | Measures students' readiness for college entry or career. Required for grade 11 students; available to grade 12 students who have not previously taken the assessment.<br>Districts are required to administer one or both college-readiness assessments (ACT, SAT) and the career-readiness assessment (WorkKeys). Students choose either a college readiness assessment or a career-readiness assessment.<br>Students taking college-readiness assessments may choose to include writing.<br>Students taking the career-readiness assessment must take all three subtests: Applied Mathematics, Reading for Information, and Locating Information. |
| **Developmental Profile** | Gr K or 1 | This assessment indicates: the student's physical health; social and emotional development; approaches to learning; cognition and general knowledge; communication, language, and literacy; and the student's background. |
| **Early Literacy Screener** | Gr K-2; 3 | This assessment must be given at least once during each school year .Third-grade students take this assessment if they are identified as experiencing delays in attaining early literacy skills. |
