

## **Protocol for Reporting Results Four Categories of Achievement**

**No results will be reported if less than 5 students are tested.**

**If 3 of the 4 Proficiency Levels have values then all values will be reported.**

**If only two Proficiency Levels have values reported, and Proficiency levels contain 0,1, or 2 the number of students will be eliminated in all proficiency levels and the percentage of students at each achievement level will be reported as a range. In reporting a range of performance the following rules will apply.**

Number of Students Tested	Achievement Level Reported
5	60% or more proficient (or not proficient) 40% or fewer not proficient (or proficient)
8	75% or more proficient (or not proficient) 25% or fewer not proficient (or proficient)
10	80% or more proficient (or not proficient) 20% or fewer not proficient (or proficient)
20	90% or more proficient (or not proficient) 10% or fewer not proficient (or proficient)
40 (or more)	95% or more proficient (or not proficient) 5% or fewer not proficient (or proficient)

**If only one Proficiency Level has a value, that value is suppressed and the percentage of students at that level will be reported as a range. All other values are suppressed.**
