Workstation Components

This PrimeroEdge guide provides components needed to support PrimeroEdge website features. *This document does not include components to support the Point of Sales workstation requirements*. You may need to contact your IT resources for appropriate permissions and guidance.

Mac Users Pre-Requisites
- Safari 5.1 +
- For Mac OS, Reports will be viewed and printed in Adobe Acrobat PDF
- Student Eligibility Letters and Scanning Applications require Windows / IE8 +
- Menu Planning and Production requires Safari 5.1 +

PrimeroEdge Access Information
- URL: https://schoollunch.education.alaska.gov/Production
- Username - log in to PrimeroEdge with your CNPWeb User Name from October 2013
- Password – will be provided during Online Training
- Upon initial login, you will be prompted to change your Password

Setting Browser Compatibility View
- https://dl.dropboxusercontent.com/u/38642621/Manuals/Browser%20Compatibility.pdf (also available on PrimeroEdge Dashboard)
- How to confirm if Compatibility View Settings are set properly for access to PrimeroEdge

Once you've logged in, please install the following:

Adobe Acrobat Download
- http://get.adobe.com/reader/otherversions/

Create a Desktop Shortcut
- Click and drag the PrimeroEdge icon that is located immediately before the URL in the address bar to the Desktop

Should you have additional installation questions, please contact support@primeroedge.com.
